

I enjoy feeding most breeds of cattle, but I get the best gains and the highest yields from the good Charolais cross cattle. I can feed a few extra days and get more frame on a good stretchy exotic steer without giving up performance.”

Paul Martin has been feeding cattle at Alliston Ontario for the Schaus organization for 29 years. Follow Paul on twitter @paulkkmartin1

Charolais continues to be the right choice for producers calving on grass and wanting more from their cows. Producing identifiable calves that the feedlot can trust, will always increase your bottom line.

BORN ON GRASS. FED FOR PROFIT

Be Identifiable.
